## **GENERAL PROVISIONS**

Regulations on international refereeing (hereafter Regulations) of the World Capoeira Federation (hereafter WCF) define the refereeing procedures, norms and system.

These Regulations are the bedrock of all activities in the WCF related to the International Referee and refereeing. It is aimed at determining conditions of ascription of the title of international referee; rights, duties and positions as well as categories and zone of competence of the international referee.

Management of the International Refereeing Issues is part of the WCF authorities. The WCF is the only qualified body which can give the title of International Referee for the Sport Capoeira and can issue referees' licences and cards.

The WCF shall grant the title of "International Referee" to those who have successfully completed an International Referee Course and Examination and any other criteria deemed necessary by the WCF.

The WCF will regularly publish a list of licensed Referees, from which the organizers of international events will select their proposed Referee Panel for approval by the Referee Commission (RC) and the WCF President.

### **Consideration of the Regulations for Male and Female**

If there is no stipulations to specific genders, these regulations are the same for both male and female.

References to the male gender in these Regulations in respect of referees, officials and athletes are for simplification and apply to both male and female.

### **Official languages**

Due to official languages of the WCF these Rules published in English and Portuguese. If there is any divergence in the wording, the English text is authoritative.

### **Modifications**

In order to standardize the worldwide level of Refereeing, the Referee Commission and the Management Board of the WCF will update these regulations periodically.

### **Effectiveness**

All the existing Referees before the effective date of these regulations shall be considered to be recognized by these regulations.

These Regulations shall be effective as of **January 1<sup>st</sup>, 2020**.
